المجلس الإسلامي الأوروبي
Islamic Council of Europe

I have pleasure in enclosing a copy of a document drawn up by the Islamic Council of Europe concerning the Muslim Minorities in the USSR.

A copy of this document has been sent to the Heads of Government of all the countries participating in the Madrid Conference on Security and Cooperation in Europe, with the request that they ask their delegates at the Conference to take up this question.

We hope that you will find the document useful and that you will be able to give some publicity to this cause which affects in excess of 50 million people, whose culture, language and way of life are threatened, against the spirit of the United Nations' Declaration of Human Rights and the concords reached at Helsinki.

Yours sincerely,

Salem Azzam
Secretary General
